Origin of the Rosary

The Rosary has an ancient origin. Most likely it originated in the ancient East and not in the medieval West, perhaps in India. It was and still is a popular prayer device among the Muslims, who use the Arabic term *masbahat*, which means to give praise. Devout Muslims used the *masbahat* in repeating the attributes of God, just as it was used by the early Christian hermits. Following the Crusades the Rosary found its way to the West. The missionary who worked hardest to spread this devotion were Abed El-Ahad, Saint Dominic, and his Dominican companions.

The Rosary became a popular method of prayer and spread quickly in the West during the Middle Ages. For Christians it has always been "the Gospel strung on beads." It is a simple and easy prayer that can be employed for vocal prayer or silent contemplation by individuals, families, and communities.

Papal Encouragement

Since the 16th century the popes have frequently encouraged the faithful of East and West to pray the Rosary. The first was a Dominican pope, Saint Pius V, who wrote a papal letter about the Rosary in 1569 shortly after the Council of Trent, and instituted the feast of Our Lady of the Rosary.

In the late 19th century after the First Vatican Council Pope Leo XIII wrote more than ten encyclicals and instructions promoting the use of the Rosary.

To make pastoral applications of the Marian teachings of the Second Vatican Council Pope Paul VI in 1974 authored the apostolic exhortation Devotion to Mary (*Marialis Cultus*). Paul VI discussed the Rosary at some length as a summary of the Gospel comprised of prayers based on Gospel texts. He urged the faithful to pray the Rosary, and especially recommended the family Rosary.

In a pastoral letter about the 1987 Marian Year, Patriarch Nasrallah Peter Cardinal Sfeir, encouraged all Maronites to honor the Mother of God by praying the Rosary.

Pope John Paul II in 2002 issued a pastoral letter entitled The Rosary of the Virgin Mary, in which he put forth the Luminous Mysteries based on the public life of Jesus.

Pope Benedict XVI values the prayer of the Rosary as a means of contemplating Jesus with Mary's eyes.

The Rosary Today

Unlike some Eastern Christians who erroneously consider the Rosary foreign to Eastern spirituality, Maronites have emphasized the prayer of the Rosary for centuries. On a visit to Maronites in Lebanon in 1580, Jesuit Father Eliano recorded that he brought them "about one thousand rosaries."

Early on, the Rosary was a common method of prayer in the East among Christians and non-Christians. Even though it came to us through Western missionaries, it was and still is an easy and rich method of prayer to help the faithful fathom the mysteries of God along the journey of salvation. Praying the Rosary, particularly in the family, is an excellent method of bringing us together in the faith under the protection of Mary who always and everywhere intercedes for all people.
